It was great spending all these years with you! I hope that our friendship endures throughout the years. Thank you for being there for me. Hey! I had a dream that you had two beautiful daughters and you were a member of the HAW--- Cartel. Weird huh? We all know that will never come true. I love you and see you in the future.

"To the victor belongs the spoils"

Pepper,

Well, I don't know where to begin ~~or~~ because I have a lot to say to you and I am not sure how to put it in to words I am always gonna think of you when I'm in trouble (& I hope I'm not in trouble too much) & even when I'm not. You have been the best friend anyone could ever want. You were always there when I needed someone to talk with. And you always knew just what to say. If it weren't for you, I'm not sure what I would of done. This is our last year in high school together, but I hope it won't be our last year we see each other. I really like you a lot & I don't want to lose touch over the summer & the next couple of years.

Doyle Jones #20

Mike Leon #25

I never really told you how much you really mean to me and I am really sorry that I didn't. I want to tell you now that I appreciate everything you have done for me. I really love ya alot ya know. We really did some crazy things together that we'll never forget. Like with Tony mano & yourmom what I mean!!! Hee hee I came over for x-mas and I almost got in an accident. Boy was I scared but you

there to laugh it off with. And all the problems with a couple of my friends that you helped me out with. I really hope you can be able to become a Sgt. Pepper in the police force, cuz I know thats what you want to do. And if you want something
